

Invitation to the 9th FESTEM Conference

International Symposium of Federation of European Societies of Trace Elements and Minerals

Dear Colleagues and Friends,

We are delighted to invite you to the **9th FESTEM Conference “Trace Elements and Minerals in Environment, Medicine and Biology”**, which will take place from **28th to 31st May 2025** in the vibrant city of **Timisoara, Romania**. This prestigious event brings together experts, researchers, and professionals from across the field of trace elements, medicine, toxicology, nutrition, biology, chemistry and related disciplines to share the latest advancements and foster collaboration.

Venue: Timisoara, a city renowned for its rich history, culture, and innovation, provides the perfect backdrop for this year's symposium. The event will be hosted at **CONTINENTAL **** Hotel (<https://hotelcontinental.ro/>)**, an exceptional facility offering state-of-the-art amenities for a productive and inspiring conference experience.

Conference Highlights:

- **Keynote Lectures** by leading international experts.
- **Technical Sessions** covering a wide range of topics including epidemiology, neurology, biochemistry, occupational and medical toxicology and implication of trace elements and minerals in human and animal health.
- **Poster Presentations** showcasing innovative research from emerging scientists.
- **Networking Opportunities** including a welcome reception, gala dinner, and social events to foster connections and collaborations.

We are confident that the 9th FESTEM Conference will provide an excellent platform for knowledge exchange, professional development, and networking. Whether you are a seasoned researcher or new to the field, this symposium offers something for everyone.

Important Dates:

- **Abstract Submission Deadline:** 15 January 2025
- **Early Bird Registration:** 28 February 2025
- **Final Registration Deadline:** 15 March 2025

Please visit our official symposium website www.festem2025.eu for more details on registration, abstract submission, and accommodation options. We encourage you to register early to secure your place at this exciting event.

We look forward to welcoming you to Timisoara in May 2025 for what promises to be an engaging and enriching experience at the 9th FESTEM Conference.

Warm regards,

Florin Muselin,

Prof. dr., DVM, PhD, Habil
Vice-Dean for International Affairs
University of Life Sciences “King Michael I” from Timisoara
Faculty of Veterinary Medicine
